Prayer and Fasting: Jesus told us that some issues can only be dealt with by prayer and fasting. We are praying that God's loving kindness will be evident to those who use the abortion center; that they might choose life and decide on the alternatives to abortion that we present on this flyer.

Constant Vigil: The most visible aspect of 40 Days for Life is peaceful prayer, outside abortion facilities. We are friendly witnesses for life, because the shaking finger never helps.

Community Outreach: Join us in our fast and peaceful prayer vigil where we take God's message of love, respect and a request to choose life, out to the abortion center:

on the sidewalk outside **Planned Parenthood**
