Parents, be empowered to teach the meaning of life along with the facts of life...

Your keiki, preteens and teens will face many new moral and social challenges as their bodies mature over the next few years. We are here to help and encourage one another to grow in truth and love.

Come to this free workshop and learn a positive and beautiful Catholic-centered approach to the meaning of family love, friendship love, and romantic love. This is the best way to communicate lessons rooted in God's love, age-appropriate science, and the virtues to your child. You will be glad that you did, and your keiki will too!

Session topics are gender-specific. It is highly recommended (but not required) that boys speak with a male parent/guardian and girls speak with a female parent/guardian.

Select one or more sessions:

- Boy** in grade 4, 5, or 6 with parent/guardian at 12:30 - 2:30 PM
